We have secured a distinctive stature by winning trust and confidence of clients based across the markets of Indian Subcontinent.

Under the apt guidance of **'Mr.**

Industrial Packing Machines:

We are a leading name engaged in offering technically upgraded range of **Industrial Packing Machines**. Manufactured by making use of supreme quality requisite basic material, these products are in compliance with defined parameters of the industry. Furthermore, we offer these products in different specifications to cater to the diverse requirements of the clients.

Rotary Filling Machine

Jar Filling Machine

Water Pouch Packing Machine

Pet Blowing Machine

Water Pre - Filtration:

We have in store an improvised range of Industrial **Water Filter**. These products are precisely fabricated using required basic material, procured from the accredited vendors of the industry. Furthermore, we offer these products in different sizes, suited to the diverse requirements of the clients. Detailed description of the offered products is provided below:

Activated Carbon Filters

Multi Media Filters

Sand And Carbon Filter

Industrial Pump:

Our organization is counted amongst the most distinguished manufacturers and suppliers of **Industrial Pump**. Designed and manufactured with excellence, these products are known for its supreme quality, high durability, strength, reliability, efficiency and long service life. All the products offered by us are manufactured utilizing optimum quality raw material and sophisticated technology.

Dosing Pump

Feed Pump

High Pressure Pump

Other Products:

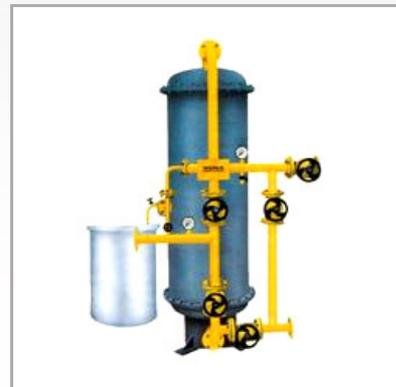

Packaged Drinking Water Plants

Packaged Drinking Water Plants

Reverse Osmosis Plants

Water Softening Plants

Other Products:

**Demineralized Plant
With Mixed Bed Plant**

**Jumbo Filter & Bag
Filter Housing**

On Line Chiller

**Industrial Process
Chiller**

Other Products:

Sterilight UV Systems

UV Sterilisation System

RO Control Panel

Tube Rotameter

Other Products:

Micron Cartridges

RO Plant Spares

Steel Pipe Fittings

Steel Tanks

Other Products:

FRP Pressure Vessels

Multi Port Valve

Chemical Dosing Systems

Water Purifier

Shree Engineering

An ISO 9001:2008 Certified Company

- Company Factsheet -

Year of Establishment	1980
Nature of Business	<ul style="list-style-type: none">▸ Supplier▸ Manufacturer
Total Number of Employees	11 to 25 People
Primary Competitive Advantage	<ul style="list-style-type: none">▸ Experienced R & D Department▸ Good Financial Position & TQM▸ Large Production Capacity▸ Provide Customized Solutions
