1. About the University

The Yashwantrao Chavan Maharashtra Open University (YCMOU) was set up in July1989 by Act XX (1989) of the Maharashtra State Legislature. The degree/diploma of this University is treated as equivalent to the degree/diploma of any other university for the purpose of employment in government and semi-government establishments. One of the major goals of the University is to create, preserve and disseminate knowledge to its learners and the masses and thus become a 'Mass-Varsity'. The emphasis, throughout, is on developing educational programmes which qualify a person to get a better job, to start earning on his own or help a working person to improve her/his career. Providing education through classroom-based system is expensive, rigid and puts time constraints on the learners.

Technology based education of YCMOU provides the following benefits:

- It is cost effective.
- It has outreach to the masses.
- It is flexible: 'learn anywhere and anytime and as per your pace and style of learning'.

2. Educational Collaboration

Many educational institutions like Kanetkar's Institute of Computing and Information Technology (KICIT), Maharashtra Knowledge Corporation Ltd. (MKCL), etc. are associated with YCMOU to share their experiences and resources in implementing computer programmes.

3. About the School of Computer Science

The School of Computer Science is one of the eight schools of studies located at the headquarters of the University. Through its quality policy, the School aims to enhance and sustain excellence of its educational programmes. It has a vision to create computer literacy by taking computer education to the masses. The School envisages to:

- Develop degree, postgraduate and research level computer programmes for creating professional manpower required by the IT industries.
- Develop need-based and job-oriented short-term computer programmes to meet the huge demand of IT skilled manpower in business and industry.
- Ensure relevance of programmes by updating the curriculum dynamically.
- Provide e-Learning support to its students.
- Establish tie-ups with industries and other educational institutions to share experience and knowledge.
- Carry out research in multimedia, virtual reality, fuzzy logic, neural networks etc. that will help in developing new methods, tools and techniques useful for computer education and applications.

The School imparts computer education through its Authorized Study Centres.

4. Need for Computer Programmes

Human society has passed through 'green revolution', 'industrial revolution' and 'information revolution'. Now it is entering into 'knowledge revolution'. Education in general and 'computer education' in particular is gaining utmost importance in today's knowledge society. Computer skills have become the life skills for everybody.

For high productivity and better quality, many business houses, Government departments and industries are making extensive use of computers. Extensive manpower is required to handle and operate these computers. Thus, there is pressing demand of computer professionals to work at various levels in Information Technology (IT) industries.

Highly skilled software professionals are required for nation building. They design and develop software products and systems. They are helpful in providing IT and IT-enabled services. They carry out overseas projects and earn huge amounts of foreign exchange for the country. They become entrepreneurs and establish IT industries, which provide employment for a large number of people.

BSc(BIS) and BCA combine the intellectual challenge of a new discipline with the excitement of an innovative and rapidly expanding information technology. These programmes are intended for those students who plan careers in computer science, in the fields that make use of computing and for those who plan postgraduate study in computer science.

5. Study Centre

The Study Centre is authorized to conduct computer programmes offered by the University. Depending on the infrastructure of the study centre, specific programmes are assigned to that study centre. The list of study centres, along with the courses assigned to them, can be viewed on the university portal:

http://ycmou.digitaluniversity.ac

The Coordinator of the Study Centre shall look after all the activities of the Study Centre including the practical of the students. The Study Centres perform the following important functions:

- Conduct the Courses as prescribed by the University in a conventional manner.
- Distribute prospectus to the learner.
- Forward necessary information to the University as and when required.
- Organize audio/video lectures, counseling sessions at regular intervals according to the YCMOU norms and patterns.
- Facilitate delivery of instructional material and arrange practical sessions.
- Perform duties as an examination centre.
- Provide any other additional facilities for the students' benefit.

Students should carry out the entire computer practical at the Study Centre. The Coordinator/Instructor of the Study Centre will supervise the practical activities.

6. Online Programmes offered by the School of Computer Science

The University offers the following computer programmes at different levels:

Certificate programmes

- Programming Expertise in C
- Data structure using C
- OOPs and C++
- Programming Excellence through VB.NET
- Building Web Portals through ASP.NET
- Enterprise solutions using J2EE
- Programming Excellence through C#
- Visual Programming
- Computer Fundamentals
- Office Tools
- Linux
- JAVA
- Visual Basic
- ORACLE
- Computerized Financial Accounting

Diplomas Programmes

- Diploma in Computing
- Advanced Diploma in Computing

Degree Programmes

- BSc (Business Information Systems)
- Bachelor of Computer Applications

7. Duration

Certificate Programmes

The certificate programme has a minimum duration of 6 months. The student should complete it within a maximum period of 2 years. A student who fails to complete it within 2 years will be required to re-register for the programme.

Diploma Programmes

Diploma in Computing is of 6 months duration. The student should complete it within a maximum period of 2 years. A student who fails to complete it within 2 years will be required to re-register for the programme.

Advanced Diploma in Computing is of 1-year duration. The student should complete it within a maximum period of 3 years. A student who fails to complete it within 3 years will be required to re-register for the programme.

Degree Programmes

The BCA and BSc(BIS) programme is of 3 years duration. The student should complete it within a maximum period of 5 years. A student who fails to complete it within 5 years will be required to re-register for the programme.

Semester System

A semester system has been adopted by YCMOU for BCA and BSc(BIS) programmes. In this scheme, an academic year consists two semesters each of 6 months duration.

Thus BSc(BIS) and BCA have 6 semesters each. The admission for the degree programmes shall be done **only once** in a year whereas the examinations shall be conducted at the end of each semester.

8. Eligibility and Documents to be attached alongwith the Student's Admission Form:

At present there is **no provision** in the University to admit international students.

The eligibility criteria are given below:

a) Eligibility for Certificate Programmes

Table 4: Eligibility for Certificate Programmes

Sr. No.	Prog. Code	Programme	Desired Eligibility
1	D01	Programming Expertise in C	Knowledge of Computers
2	D02	Data structure using C	Knowledge of Computers

Eligibility:

The student should have passed

- 12th standard of HSC Board of Maharashtra, or its equivalent [including MCVC (Minimum Competency Vocational Courses)]

<div align="center">OR</div>

- 3-year Diploma of Board of Technical Examination or equivalent (other than computer and Information technology)

Documents to be attached alongwith the Admission Form of the student are as follows: (ATTESTED TRUE COPIES BY STUDY CENTRE)

1) Passing Certificate of Std X and Statement of Marks
2) Passing Certificate of Std XII and Statement of Marks
3) Leaving Certificate / Birth Certificate
4) In case of Student's Name Change, attach the Gazette Copy.

<u>Direct admission to the Second Year of Degree Programme</u>

The students fulfilling the following eligibility criteria can take admission directly to the second year of the degree programme. Such students will not be eligible for further course exemption from Second and Third Year of the Degree Programme. Along with the admission form of the Second Year, the student will be required to fill separate form for exemption of First Year and pay the Exemption Fees of Rs. 1000/- in addition to the university fee share for second year. (The First Year Exemption Form is given in **Appendix E**).

1) The students who have successfully completed the three-year diploma in Computers/Information Technology from Government Technical Board after 10th is eligible for the direct admission to the Second Year of Degree programme.

2) The students who have successfully completed all the courses in the First Year of Computer Science/Information Technology/Computer Application degree programme (without ATKT) from the recognized university after 12th with mathematics is eligible for the direct admission to the Second Year of Degree programme.

Documents to be attached alongwith the Admission Form of the student are as follows: (ATTESTED TRUE COPIES BY STUDY CENTRE)

1) Passing Certificate of Std X and Statement of Marks
2) In case of Student's Name Change, attach the Gazette Copy.
3) Attach the attested photocopies of the mark sheet.
4) H. S. C. mark sheet and passing certificate with mathematics subject.

   AND

   First year of Computer Degree Programme from other recognized university mark sheet in case of degree programme.

   OR

   All three year mark sheets in case of 3 years diploma in computer or information technology from State Technical board with passing certificate.
5) Leaving Certificate mentioning the Birth date.
6) Exemption Fee: Rs. 1000/- + Second Year admission University fee share paid in the specified Bank by the University on date with Transaction number: (attach the challan copy).

9. Language of Instruction

The medium of instruction of all the programmes is English Language only. All the Printed Study Material of the programmes is in English. The medium of examination will be English. However, the Coordinator, Instructor or Counselor may use English /Marathi /Any other language to help the students understand the subject well.

10. Educational Network for Programme Delivery

Keeping in line with its vision of taking education to every doorstep, the University takes care to provide its academic programmes to the students located in different parts of Maharashtra State. The University is not merely an examining body but it takes full responsibility for the entire teaching learning activity and evaluation of students. The instructional package consists of the following components:

- Study material developed by experts using instructional technology.
- Good quality instructional text adopted from the market.
- Video lectures by experts.
- Face-to-face contact sessions organized at the Study Centres.
- Practical Component handled at the Study Centres.
- Evaluation of students at the examination centres.

14. Fees

The total Programme Fee consists of 2 independent parts:

- University Programme Fees (UPF)
- Study Centre Fees (SCF)

In the case of certificate and diploma programmes, the student is required to pay the entire fees along with the admission form at the study centre.

In the case of degree programmes, the student is required to pay yearly fees along with the admission form while taking the admission at the study centre.

The fees include the examination fees for the first attempt.

Please Note:

- Fees once paid will not be refunded under any circumstances.

- The University does not accept any admission form or fees directly from the students at the University. The University does not undertake any responsibility for such admission forms.

15. Registration of Students

Admissions to the Certificate and Degree programmes are made by the Study Centres. The list of authorized study centres is available at the following link:

http://ycmou.digitaluniversity.ac

The students who are interested in certificate programmes can take admission to a maximum of 5 certificate programmes.

The students who are interested in diploma programmes can take admission to only one diploma programme.

The students interested in pursuing a degree programme can take admission to either first year of BSc(BIS) or BCA programme. Admission to the second and third year of a degree programme also requires the submission of the admission form.

The detail procedure regarding submitting the admission form is given in the section **19: How to Seek Admission**. Follow that procedure. Admission forms sent directly to the University will not be accepted.

16. Changing the Study Centre

The Student once registered, cannot change the study centre in-between the academic year for which the fees have been paid. However, while taking the admission next time, the student can change the study centre. The admission form should be filled and submitted to the new study centre.

17. Re-registration for Degree Programmes

The registration to the programme BSc(BIS) / BCA will be valid for a period of 5 years including the year of registering for the first year. The student should complete BSc(BIS) / BCA successfully within the said period. After the expiry of the valid registration period, the student should re-register i.e. take fresh admission to the programme by paying to the University, the fees specified in the Prospectus (provided the University continues to offer the programmes at that time). All the rules and regulations, which exist at the time of re-registration, will apply to the student. However, the student may be allowed to take advantage of credit transfer for the courses as per University rules.

18. Evaluation

Each course except CMP259, CMP253 and CMP210 has two components of evaluation:

- Theory
- Home Assignment or Practicals (depending upon the nature of the course).

The Projects, i.e. courses CMP259 and CMP210 will be evaluated as major projects while the course CMP253 will be evaluated as a minor project.

The evaluation method for each component is given below:

- **Theory Examination:** Objective test (multiple choice questions) of 80 marks (Student has to get minimum 32 marks out of 80 for passing)

19. How to Seek Admission…

1. Collect the admission form and bank challan from the study centre.

2. Read prospectus, admission form and bank challan carefully before filling up the details

3. Fill the admission form and bank challan in English, clearly and completely, without overwriting.

4. Attach the attested copies of required documents (Mark sheets for supporting eligibility conditions; In case student has passed in more than one attempt all marks sheets must be attached) with the admission form.

5. Get the filled admission form and enclosures checked from the study centre and get their stamp affixed on the bank challan.

6. Pay the Study Centre share of the Programme fees at Study Centre.

7. Collect bank challan duly stamped by the Study Centre. Make payment of the YCMOU fee share amount along with the service charges of the Bank in the nearest branch of specified Bank by the University and collect two parts of the challan from the Bank. Ensure that Transaction number is written clearly on both the parts of the challan. Also ensure that both parts of the challan are duly stamped by the Bank.

8. **DO NOT** submit the admission form in the Bank.

9. Retain one copy of the challan with you and hand over the other copy of the challan to the Study Centre for attaching it to the admission form (personally ensure that the challan is attached to YOUR admission form) and get the Study Centre stamp affixed on the admission form.

10. It is the responsibility of the study centre coordinator to upload your admission information correctly on the university website, you should ensure that it has been done. The study centre should obtain your signature on a printout of the uploaded form.

11. There will be no separate receipt from the study centre for the university fees paid – the bank challan is the fee receipt. Take separate receipt of the Study Centre Fee Share from the Study Centre.

12. Ensure personally at the study centre in the month of October, that your admission has been confirmed by the university.

UNIVERSITY GRANTS COMMISSION
BAHADUR SHAH ZAFAR MARG
NEW DELHI-110002

Fl-52/2000(CPP-II) '   5 MAY 2004
The Registrar / Director
Of all the Indian Universities
(Deemed, State, Central Universities /
Institutions of National importance)

Subject: Recognition of Degrees awarded by Open Universities.

Sir/Madam,

There are a number of open Universities in the country offering various degrees/diploma through the mode of non-formal education. **The Open Universities have been established in the country by an Act of Parliament or State Legislature in accordance with the provisions contained in Section 2(f) of University Grants Commission Act, 1956. These universities are, therefore, empowered to award degrees in terms of Section 22(1) of the UGC Act, 1956.**

A circular was earlier issued vide UGC letter N.F.I-8/92(CPP) dated February, 1992 mentioning that the Certificate, Diplomas and Degrees awarded by Indira Gandhi National Open University are to be treated equivalent to the corresponding awards of the Universities in the country.

Attention is further invited to UGC circular No.Fl-25/93(CPP-II) dated 28th July, 1993 (copy
enclosed) for recognition of degrees and diplomas as well as transfer of credit for courses successfully completed by students between the two types of universities so that the mobility of students from Open University stream to traditional Universities is ensured without any difficulty.

The UGC has specified the nomenclature of degrees under Section 22(3) of the UGC Act, 1956 to ensure mandatory requirements viz. minimum essential academic inputs required for awarding such degrees. A copy of Gazette Notification regarding specification of degrees issued vide No.l-52/97(CPP-II) dated 31st January 2004 is enclosed. The details are also given in UGC Web site: www.ugc.ac.in

May, I therefore request you to treat the Degrees / Diploma / Certificates awarded by the Open Universities in conformity with the UGC notification on Specification of Degrees as equivalent to the corresponding awards of the traditional Universities in the country.

Yours faithfully

(Dr. Mrs. Pankaj Mittal) Joint Secretary

महाराष्ट्र शासन

मुक्त विद्यापीठाच्या पदव्यांना समकक्षता व शासन मान्यता

१) अन्य विद्यापीठांच्या पदवीशी समकक्षता

मा. शिक्षण संचालक (उच्च शिक्षण) महाराष्ट्र राज्य यांच्या पत्र क्र. समक (उ. शि.)/१०९४/३२८६१/मवि-१, दि. ३० ऑक्टोबर १९९५ च्या पत्रान्वये 'केंद्रीय किंवा राज्य विधिमंडळाने अधिनियमाद्वारे भारतातील विद्यापीठाने दिलेली पदवी/पदविका आणि संसदेने अधिनियमाद्वारे इतर शैक्षणिक संस्था प्रस्तावित केलेल्या आहेत किंवा विद्यापीठ अनुदान आयोग अधिनियम (१९५६) मधील कलम क्र. ३ अन्वये मानीव विद्यापीठे घोषित केली आहेत अशांच्या बाबतीत पदवी किंवा पदविका मान्यता देण्याबाबतचे औपचारिक आदेश विद्यापीठाने काढण्याची आवश्यकता नाही'.

यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठ हे महाराष्ट्र राज्याच्या विधिमंडळाने अधिनियमाद्वारे (कायदा क्र. २०/१९८९) स्थापन केलेले विद्यापीठ असून त्यास विद्यापीठ अनुदान आयोगाचीही मान्यता आहे. त्यामुळे या विद्यापीठाची पदवी इतर विद्यापीठांच्या पदवीशी समकक्ष आहे.

२) विद्यापीठ अनुदान आयोगाची मान्यता

विद्यापीठ अनुदान आयोग, नवी दिल्ली यांनी त्यांचे पत्र क्र. F/S-15/89 (CPP-1) दि. ८ डिसेंबर १९९२ नुसार विद्यापीठ अनुदान आयोगाच्या १९५६ च्या कायद्यातील कलम १२-बी अन्वये यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठास मान्यता दिली आहे.

३) महाराष्ट्र लोकसेवा आयोगाची मान्यता

उपसचिव व परीक्षा नियंत्रक, महाराष्ट्र लोकसेवा आयोग, मुंबई यांच्या पत्र क्र. १४७७ (१७/१९९४/कक्ष) दि. १७ फेब्रुवारी १९९४ च्या पत्रातील मान्यतेसंबंधीचा मजकूर – 'यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठ हे संविधिमान्य (Statutory) असल्यामुळे आपल्या विद्यापीठाच्या पदवीधर विद्यार्थ्यांकडून आलेले अर्ज देखील इतर मान्यताप्राप्त विद्यापीठांच्या पदवीधर उमेदवारांकडून आलेल्या अर्जांप्रमाणेच आयोगाकडून विचारात घेतले जातील'

मुक्त विद्यापीठाच्या पदवी/पदविकांना महाराष्ट्र शासन मान्यता

विद्यापीठ गीत

एक प्रतिज्ञा असे आमुची ज्ञानाची साधना ।
चिरंतन ज्ञानाची साधना ।
ज्ञान हेच संजीवन साऱ्या जगताच्या जीवना ॥ धृ ।

ज्योत जगवू सुजाणतेची राऊळांच्या अंतरि ।
तीच निवारील पटल तमाचे प्रभात सूर्यावरि ।
ज्ञानच देऊळ, ज्ञानच दैवत, प्रगतीच्या पूजना ॥ १ ॥

नव्या युगाचा नव्या जगाचा ज्ञान धर्म अहे ।
त्यातच आमुच्या उज्ज्वल उद्यांचे आश्वासन राहे ।
मुक्त करिल तो परंपरेच्या बंदिघरातुन मना । २ ॥

हाच मंत्र नेईल आम्हाला दिव्य भविष्याकडे ।
न्यायनीतीचे पाऊल जेथे भेदाशी न अडे ।
जे जे मंगल गावन त्याची जेथे आराधना ॥ धृ ॥
