#### 4. **SELECTION PROCESS**

There will be a **COMMON ENTRANCE EXAMINATION** for selection of the candidates for admission into B.Sc.(Ag), B.Sc. (Forestry), B. Sc. (Horticulture), B.F.Sc., B.V.Sc. & A.H., and B. Tech. (Ag. Engg.) and B.Sc.(Home Science) courses. The candidates for admission will be selected solely on the basis of Merit (Weighted Score) which is based on his/her academic career performance, Entrance Examination and Extra curricular activities. If two or more candidates secure the same computed score, the tie shall be resolved and their merit positions will be decided on the basis of higher marks in the Entrance Examination or +2 Science/equivalent or HSC/equivalent in that order.

##### 4.1 **Entrance Test**

The Entrance Examination will be an objective test for 200 marks in *two hours* duration and the medium of Examination will be in English. The subjects of examination and marks distribution are indicated below.

<b>Subjects</b>	<b>Marks</b>
Physics	66
Chemistry	66
Mathematics/Biology	68
<b>Total</b>	<b>200</b>

Candidates are to answer Physics, Chemistry and either Mathematics or Biology.

##### 4.2 **Weightage to Academic Career and Entrance Examination:**

Weighted score of candidates will be calculated on the basis of his/her academic career and Entrance Examination as given below:

a) H.S.C. / equivalent	- 25%
b) +2 Sc. /equivalent	- 25%
c) Entrance Examination	- 50%*
<b>Total</b>	<b>- 100%</b>

\*i.e.  $\frac{1}{4}$  of the total mark secured in the Entrance Examination

- 4.2.1 For computing the 'weighted score' under Sub-Clause 4.2 above, the marks obtained only in Science subjects at the +2 stage will be taken into account and not the marks obtained in language papers. Similarly, the marks in Extra Optional subject in H.S.C/equivalent Examinations, if any, and the extra marks obtained in 4th Optional subject in +2 Sc. shall not be considered. If however, a candidate has studied both Mathematics and Biology at the +2 Stage, one of the two subjects in which he/she has secured higher marks shall be taken into account for the computation.
- 4.2.2 In case of candidates who have passed any of the examinations compartmentally, the average marks of the 1<sup>st</sup> and 2<sup>nd</sup> examinations will be taken for computation of the weighted score.
- 4.3 Candidates with outstanding records in extra curricular activities as detailed below will be given extra weightage over the score computed from career marks and marks secured in the Entrance Examination. The following percentage of marks under different extra curricular activities of the students will be added to the computed score of the Academic Career and Entrance Examination to arrive at the final score.

Extra Curricular Activities		Percentage of Score to be added
<b>NCC</b>	Candidates who have passed 'B' Certificate	10%
	OR	
<b>NSS</b>	NSS Volunteers who have	
	i) Represented the country in NSS at the International Level	Direct admission without Entrance Examination subject to eligibility
	ii) Received National Award	7%
	iii) Received State NSS Award	5%
	iv) Found to be the best at the University level	3%
	OR	
<b>SPORTS</b>	Candidates who have represented the State in any sports events at all India level.	10%
	OR	
	Candidates who have represented the Country in any sports events at International level	Direct Admission without Entrance Examination subject to Eligibility, production and verification by Dean, Students' Welfare for sports certificate.

**N. B.:**

1. The students participating in games and sports events duly recognised and notified by the Director of Sports for such purpose shall be eligible for the consideration to get the weightage.
2. The students will submit a separate certificate on the participation in the games/sports from the Director of Sports & Youth Services for taking the advantage of the weightage in marks for admission.
3. A student who is desirous of availing such concessions either in Games and Sports or in other extra curricular activities must have achieved the distinction at the +2 level.

- 4.4 The ICAR/VCI nominated candidates/Foreign Candidates/State Government sponsored candidates for admission against reserved seats are not required to appear at the Common Entrance Examination. They will be admitted as such against the Reserved Seats.
- 4.5 The students of this University who were detained in the 1st Semester of 1st year of any Undergraduate Courses due to shortage of attendance shall have to apply afresh even if they appear the mid-term examination and compete with others for admission.

#### 4.6 Illustration for computation of weighted score

If a candidate has secured 58% marks (excluding Extra Optional marks) in H.S.C./ equivalent, 67% marks in Physics, Chemistry and Mathematics or Physics, Chemistry and Biology in +2 Science and 123 marks out of 200 in the Entrance Test, his/her weighted score is  $0.25 \times 58 + 0.25 \times 67 + 0.25 \times 123 = 62.00$ .

In addition, if the candidate has passed NCC 'B' Certificate, he/she gets an additional weightage of 6.20 (i.e. 10% of 62.00) and his/her weighted score becomes  $62.00 + 6.20 = 68.20$ .

### INSTRUCTION TO CANDIDATE

1. The test will be objective in nature and for each question several suggested answers will be given of which only one answer will be correct.
2. The Answer Sheet will be machine scored and therefore requires specific procedure to be followed as given below :
  - a) The answers will be marked only with pencil and that too only with an HB one.
  - b) The method of marking answers is indicated below.
  - l) Each question will be followed by answers marked as (A), (B), (C), (D) or (E). Select the most appropriate answer. Then using HB Pencil blacken the oval bearing the correct answer index against the serial number of the question on the answer sheet. For example, If the answer to question number 2 is C, is to be marked as follows :

Question 2 : (A) (B) (C) (D) (E)

- II) Please note that you should not use H, 2H/HH, 3H type of pencils. The marks made with such hard pencils will be too light and will not be read by the computerised machine. So such hard pencils are not to be used.
- III) If you use too soft pencils like, 2B/BB, 3B etc. your marks will be too dark. So when you want to change your answer by erasing the First one, there may be smudges or dark marks in place of the erased answer and around it. So soft pencils are not to be used Therefore, use only HB pencils.

#### IV) Some wrong methods of marking answers :

Please do not mark your answers or fill up information by using any of the following methods of making

(Use of tick marks)	✓	(Use of cross mark)	X	(Use of dot)	•
(Use of line mark)	—	(Half filled oval)	◐	(Mark outside the oval)	○ ●

In all the above cases, though you may have given the right answer, it may not be read by the machine because of wrong method of Marking the answer.

- V) Please note that the oval should be dark enough and should be filled in as completely as possible. You need not make special efforts to darken any oval artistically.
- VI) How to change your answer : If you wish to change your answer, erase completely the already darkened oval using good quality eraser and then blacken the new oval bearing your revised answer.
- VII) While changing the answer it is essential to erase the earlier answer completely, if it is not erased completely, smudges will be left on the erased oval and the question will be read as having two answers and will be ignored for giving any credit.

#### SOME IMPORTANT POINTS :

The machine will first read your Roll No., The Serial number of the Test Booklet and Form No. From the answer sheet and then evaluate your answers. Therefore you must show your roll number and test booklet number, from No., Booklet series correctly by filling correct ovals with HB pencil.

- a) You are advised to bring with you the following things:
  - I) Admit card for the written test.
  - II) Two HB pencils, a good quality eraser, a sharpener and a ball pen.
- b) Your answer sheet may not be assessed :
  - I) If you use any method of making your answer other than darkening the ovals.
  - II) If you do not write all the information required on the answer sheet such as Roll No, Test Booklet Serial No. & Form No. etc., and Blacken the appropriate ovals.
  - III) If you do not handle your answer sheet carefully.
  - IV) If you do not use HB pencil for marking on the answer sheet.

This test is little different from the examination that you have appeared in your school or college. So read the following instruction carefully.

#### SOME IMPORTANT RULES

1. Read the direction for each of the parts of the test carefully, The test will be divided into several parts which are separately timed. Use your time as economically as possible, Do not waste time in pondering over questions which seem difficult or ambiguous to you. Do not worry if you can not answer all the questions within the time limit. The test is so designed that it is difficult for you to complete the entire test within time limit.
2. Do not give more than one answer to any question as there is only one correct answer to each question, If more than one answer is given by you for a question it will be counted as wrong. If after blackening an oval (O) on the answer sheet you want to change your answer, erase your first mark completely and then only blacken the new one.
3. Follow the instructions given by the supervisor, when the supervisor asks you to start or to stop a test, or a section of a test you must follow his instruction immediately. This is very important.
4. You will not be permitted to take scratch or rough paper, scales, or drawing instruments or calculators into the examination hall as they are not needed. Do your rough work in the test booklet itself.
5. After finishing the test submit the test booklet and the answer sheet to the supervisor. Do not take these out of the hall. This is a must.
6. Do not forget to indicate your name, roll or registration number and the question booklet series etc., On the answer sheet and to blacken the appropriate ovals properly.
7. Bring your admit card with you to the test centre.
