RE-ISSUING OF CIRCULAR NO. 53 / 2011 WITH MINOR CORRECTIONS.

Subject: **GUIDELINES FOR POSTING / TRANSFER OF CISF PERSONNEL (NGOs – CONSTABLEs (GD, FIRE, PARAMEDICS & TRADESMEN), HCs, ASIs, SIs & INSPECTORS) IN VARIOUS SECTORS OF CISF EXCEPT AIRPORT SECTOR**

CISF is a **Central Armed Police Force (CAPF)** of the Union of India. It was declared an Armed Force of the Union of India in the year 1983 vide Gazette Notification published in the Gazette of India Extraordinary Part-II Section-I dated 28.05.1983.

02. CISF is the premium security agency of the country which provides security to vital installations in the departments of **Atomic Energy, Space, Oil, Power, Coal, Electronics, Steel and other sectors**. A number of these installations are hypersensitive and sensitive from the security point of view. A number of those Units are located in areas affected by naxalism, militancy and insurgency as well as in strife torn States of North East and Jammu and Kashmir.
03. CISF provides security to domestic and international **Airports** and **sea ports** of the Country. Both the Civil Aviation Sector and Port Sector are exposed to threats from various quarters including threat from access through the international borders. CISF also provides security to the **Government Buildings in Delhi and monuments of iconic importance** such as Taj Mahal and Red Fort. In addition to above, CISF provides security to several protected persons of 'Z+', 'Z', 'Y' and 'X' categories.
04. As per the amendment carried in CISF Act vide CISF (Amendment) Act, 2009 No. 22 of 2009 dated 16.03.09, CISF has also been mandated to extend security cover to certain **joint/private venture companies** whose security is essential to ensure the economic infrastructure of the country.
05. As per the directions of Govt. of India, CISF has also to provide officers and personnel for certain posts in **SPG, NSG and other CAPFs** in view of the broader security requirements of the country.

Contd...P/2.

06. Similarly, 2 Battalions of CISF have been placed under the aegis of NDMA (**NDRF Bns**). Manpower for them is to be provided by CISF.

07. CISF has also to provide officers and personnel for **UN Missions** and other such duties.

08. In view of the duties and responsibilities described above, CISF personnel are liable to be deployed at any place within India and abroad. CISF has units all over the country in almost all the States. As per the provisions contained in Section-15 of CISF Act-1968, every member of the Force shall be considered to be always on duty and shall, at any time be liable to be employed at any place within or outside India. Therefore, on administrative grounds and in the interest of operational necessities of the Force, he/she can be posted any where in India.

09. However to maintain a balance and to make a system that there is a mix of personnel belonging to Home Zone and Out of Home Zone in a unit, the following broad guidelines are hereby issued regarding transfer and tenure of posting of the personnel, which are **subject to security considerations, availability of vacancies, new inductions, administrative and operational needs and public interest.**

OBJECTIVE: CISF is a Force with all India character. Personnel from all posts of the country are recruited in CISF. CISF would strive that each unit has fair distribution of personnel from that region as well as from other regions. At least 50% of personnel in a unit must be from other regions.

10. **SALIENT FEATURES**

- A) The Director General shall be the final authority for deciding all such transfers/postings.
- B) All annual transfer orders shall normally be issued by 31st March and in any case, not later than 30th April of the year.
- C) It is again clarified that these guidelines would only serve as broad parameters for posting the personnel, but the final decision will rest with the competent authorities in CISF and will be governed by the operational and administrative necessities of the Force.

They should be rotated in a systematic manner so that a person does not remain attached with a person for more than two years.
