* All Co-op and Full-time MBA students are required to enroll in the GSA Health Plan. The cost of this plan is 185.00 per academic year. Full-time students pay this fee in September 2012 and September 2013. Co-op students pay this fee in September 2012 and January 2013.

** All Visa students must enroll in the University Health Insurance Plan (UHIP). Please refer to the International Students Services website at http://oisa.mcmaster.ca/handbook/health_care.htm

Any course taken off sequence is considered a part-time course and students need to pay extra for that course in the term in which it is taken. Please keep in mind that four or more courses taken in a term is considered to be a full-time load, and therefore students must pay the full tuition and fees for any term in which they take four or more courses, regardless of whether or not they have paid for a course taken off sequence. For further information, please contact the MBA Academic Advisor in the MASO office.
