AT A GLANCE

Reputation Outstanding. A private, not-for-profit, coeducational, nonsectarian, postsecondary institution founded in 1965, HPU is consistently ranked among the best educational institutions in the nation. It is accredited by the Accrediting Commission for Senior Colleges and Universities of the Western Association of Schools and Colleges (WASC). The Nursing Program is accredited by the National League for Nursing Accrediting Commission (NLNAC), and is approved by the Hawai'i Board of Nursing. The Social Work program is accredited by the Council on Social Work Education (CSWE). The University is recognized by the Hawai'i Commission on Postsecondary Education.

Location Stunning. Strategically located in the center of the Pacific Rim—the region with the fastest growing economies in the world—HPU provides an American education in an international setting. Cosmopolitan, culturally vibrant, and ethnically diverse, Hawai'i is famous for its clean air and water and a population that enjoys the longest average life expectancy among the 50 states in the nation. In fact, Honolulu was recently ranked one of the safest and cleanest large cities in the United States.

Campus Distinctive.

Hawai'i Pacific University combines the excitement of an urban downtown campus with the serenity of a residential campus set in the green foothills of O'ahu's Ko'olau Mountains. The urban campus is located in downtown Honolulu, the business and financial center of the Pacific. Eight miles away, located in Kane'ohe, the Hawai'i Loa campus is the site of the College of Nursing and Health Sciences and the College of Natural and Computational Sciences. HPU is also affiliated with the Oceanic Institute, an aquaculture research facil-

ity at Makapu'u Point, that offers students research and hands-on opportunities. These three distinctive sites are conveniently linked by shuttle.

Student Body Incredible. More than 7,000 undergraduate and 1,200 graduate students from all 50 U.S. states and more than 100 countries make HPU one of the most culturally diverse universities in the world. HPU's unique vision is to maintain a student profile that is one-third from the mainland U.S., one-third from Hawai'i, and one-third from around the globe.

Academic Programs Comprehensive. HPU offers more than 50 undergraduate and 14 graduate degree programs in the areas of business administration, communication, liberal arts, and science, including several pre-professional programs.

Faculty Accessible. Multicultural, diverse in their interests, and passionate about teaching, HPU faculty are renowned for the personal interest they take in each and every one of their students. HPU boasts more than 500 full-and part-time faculty from around the world with outstanding academic and professional credentials, ensuring that HPU students can easily access a world's worth of knowledge and experiences. A vast majority of HPU faculty hold the highest degrees in their fields. The student/faculty ratio is 15:1, and the average class size is less than 25.

Value Extraordinary. With tuition costs almost half the U.S. average for private universities, HPU is among the most affordable private universities in the nation. In fact, *Bloomberg Businessweek* states that HPU has the "Best Undergraduate Return on Investment" among Hawai'i colleges and universities.
