

Applications are invited from expert faculty who can conduct tutorial / training courses at CPRI, either independently or jointly, under the following heads.

Sub: Faculty Search

1. Power System studies & evaluation
2. High Voltage Engineering
3. Development of Instrumentation for Electrical applications
4. Solar Energy studies
5. Cables & Capacitors
6. Short circuit evaluation of electrical equipments
7. Materials development & evaluation, etc
8. Power Plant- Hydro, Thermal
9. Transformers
10. Power system protection
11. Distribution System
12. Power system Automation
13. Power system Communication
14. Energy Meter
15. Coal, etc.
16. Other topics of relevance to the power sector encompassing Distribution, Transmission & Generation(Thermal & hydro).

The experienced professionals shall submit the details of their expertise including qualification, experience, honorarium expected etc with complete details to the following address.

Dr.P.V.Reddy

Joint director(Trg.)

Central Power Research Institute

Bangalore
