INTRODUCTION

The Government of India in the Ministry of Health set up a committee known as the "HEALTH SURVEY AND PLANNING COMMITTEE" on the 12th June, 1959 to undertake the review of the development that had taken place since the publication of the report of HEALTH SURVEY DEVELOPMENT COMMITTEE (BHORE COMMITTEE) in 1946 with a view to formulate further health programmes for the country in the third and subsequent five year plan periods. This committee recommended the setting up of six Postgraduate Medical Institutions in the country one each at Calcutta, Mumbai, Madras, Hyderabad, Lucknow and Chandigarh to meet the increasing demand of teachers for the rapidly expanding medical college's specialist services for hospitals, and need of the armed forces.

The Postgraduate Institute of Medical Education & Research was conceived and planned in 1960 to create in Chandigarh an "ISLAND OF EXCELLENCE" providing physical and intellectual milieu for young scientists working in multiple disciplines of medicine, to advance the frontiers of knowledge to render humane service to sick and suffering and to train medical and paramedical manpower. The Institute was established in 1962 under the erstwhile state of Punjab. It was declared as an Institute of National Importance by an Act of Parliament (Sr. No. 51 of 1966) w.e.f. 1st April, 1967.

AIMS AND OBJECTIVES OF THE INSTITUTE

The following are the objectives of the Institute:

- a) To develop patterns of teaching in undergraduate and postgraduate education in all its branches, so as to demonstrate a high standard of medical education.
- b) To bring together, as far as possible, in one place, educational facilities of the highest order for the training of personnel in all important branches of health activity; and
- c) To attain self sufficiency in postgraduate medical education to meet the country's need for specialists and medical teachers.

ADMISSION TO THE COURSES

- a) Admission to PhD courses conducted at the Institute is made twice a year. The sessions commence from first January and first July each year.
- b) The admission to the above courses imparted at the Institute is made on merit on all India basis by holding an entrance examination by the Institute, after issuing a countrywide admission notice. The admission notice is published in leading English newspapers of India usually during August/ September and March / April for January and July Sessions respectively.

PROCEDURES FOR APPLYING

N.B. - Before applying, the candidates are advised to go through the prospectus and the admission notice published in the press carefully.

- a) Application for admission to the courses is required to be submitted on the prescribed form supplied with the prospectus.
- b) The fact that application form has been supplied on a certain date will not be accepted as an excuse for the late submission of the application. The supply of application form does not ipso-facto make the receiver eligible for admission to the selection test.
- c) The application must be complete in all respects and it should be accompanied with all the required

documents. Incomplete applications will not be entertained and no correspondence will be made in this respect.

- d) Applications, no forms other than those prescribed for the purpose, will not be entertained. If any candidate gets an application form for course different from the one asked for he/she may submit his/her application on the same before the closing date. The application will be treated as an advance copy. The application on the prescribed form will be obtained later.
- e) The candidate, who applies for more than one subject, will be required to apply on separate application form.

ADMISSION REQUIREMENTS FOR Ph.D COURSES

Medical Qualification

MBBS with minimum 55% aggregate marks or MD/MS in the subject concerned or Diplomate of National Board of Examination. A "Failure" in the examination, "Compartment" or "Re-appear" in the examination will constitute an attempt. The following categories are eligible for registration to PhD programme of the Institute:

1. In every session a limited number of fellowships are available. The candidate will be eligible for the award of PGI Fellowships on the merit position who have secured at least 60% marks in the entrance test in the final selection of PhD programme.
2. Candidates working on the research schemes in the department concerned.
3. Candidates awarded fellowship by CSIR/UGC/NCERT/ICMR/NET or any other national scholarship awarding agency.
4. Deputed /Sponsored candidates.

FOR INSERVICE FACULTY MEMBERS OF THE PGIMER, CHANDIGARH

- I. Members of the medical faculty may also apply for registration to Ph. D course as In-service candidates. However, they will have not to appear in the entrance examination provided the Medical Faculty members should have **at-least 3 research publications during the 3 years immediately preceding the date of his/her application either as primary author or a co-author in indexed Indian/foreign journals in concerned area and in related field of research (case reports will not be considered as part of research activity. Only original publications in indexed journals will be considered. The candidate will be asked to submit a brief synopsis outlining the proposed research to be undertaken during the PhD course).** They will not however, be relieved off their responsibility in the department but they will put in extra time for their project.
- II. Each case may be examined by a specially constituted ad-hoc committee of three members under the Chairmanship of the Dean, before the candidate is permitted to be registered for Ph.D. Program.
- III. The individual should be below 50 years of age.
- IV. The individual should be a regular Medical Faculty of the Institute and should have rendered a minimum of 5 years continuous service at the institute.
- V. The applicant should route his application through proper channel.

FOR IN-SERVICE REGULAR SCIENTIFIC STAFF OF THE PGIMER, CHANDIGARH

- A. The Scientific staff members of the Institute will have to appear in the entrance examination to be conducted by the Institute.
- B. The individual should be below 50 years of age.
- C. The individual should be a regular employee of the Institute and should have rendered a minimum of 5 years continuous service at the institute.
- D. The applicant should route his application through proper channel.
- E. Adhoc Scientific staff/Sr. Demonstrators/Jr. Demonstrators in pre and Para clinical departments will also be eligible for Ph.D. registration. However, they will also have to appear as open candidates in the entrance examination.

REGISTRATION PERIOD (DURATION OF THE COURSE)

Minimum period three academic years

Under the exceptional circumstances and on the recommendations of the Doctoral Committee that the candidates' work has been completed, the period of registration can be reduced to two years. The maximum period up to which a candidate can submit his / her thesis is five years. Ordinarily extension for the submission of the thesis beyond five years will not be granted unless one year prior to the expiry of the 5 years the Doctoral Committee makes special recommendations for extension giving specific reasons.

METHOD OF SELECTION

The candidates seeking admission to PhD programme of this Institute will have to appear in the entrance examination consisting of 100 marks as per details given below:

i.	Theory	:	80 marks
ii	Evaluation by the department concerned	:	20 marks
The theory paper will be divided into two parts			
i	Questions of General Knowledge including Research Methodology	:	30 questions
ii	(a) Medical MBBS level or;	:	50 questions
