

**Post-Doctoral Fellowships**  
**at**  
**Department of Civil Engineering**

Applications are invited from persons having Ph.D. in Civil Engineering or in a closely related field, for appointment at Department of Civil Engineering under the Post-Doctoral Fellowship scheme of IIT Kanpur. Those who have submitted their Ph.D. theses may apply but the appointment offer will be made only after the completion of the Ph.D. degree. Applications are accepted round the year and are given prompt consideration.

Curriculum vitae are to be e-mailed to Head, Department of Civil Engineering, IIT Kanpur at [head\\_ce@iitk.ac.in](mailto:head_ce@iitk.ac.in). The applicant may or may not specify the name of a mentor faculty member in his/her application. The applicants shortlisted for further processing will be invited to submit a detailed research proposal in consultation with the mentor faculty member as assigned by the Department.

Fellowship amount will be Rs. 35000/- per month including HRA. In addition to the research work, the duties of the post-doctoral fellows will involve teaching laboratory and/or tutorial classes up to 8 hours per week.

Annual reviews will be conducted for the continuation of the fellowship and the maximum duration of the fellowship will be three years.
