#### Introductory Session

Date	Thursday 10 January
Time	18:15
Location	Couzens C-0-3A

As a new student on our part time MSc Programme you are embarking on a journey that will develop your understanding of organizations and their management practices in the various topics you have elected to study and examine your organizations ability to respond to the pressures of highly competitive knowledge based economies and globalization or in the case of the public sector, delivering quality services to more discerning citizens within tight budgets.

You will have the opportunity to network with students from a wide range of backgrounds and engage in debate and discussion about the issues faced by your organizations, the academic research relating to various topics studied and examine a variety of practices illustrated by other case study organizations.

#### What will I study?

In total you should take 6 units before embarking on the Dissertation and depending on the chosen award outcome some units are compulsory and others are electives. You should aim to study Developing Professional Practice as close to the start of the Dissertation as possible. For further details about Units required and their availability, please consult the appropriate Programme Handbook which can be obtained from the Programme Leader.

Your studies in the first year will depend upon the units selected from the published timetable. You should check that you are registered for the correct units. Part Time students are advised to take no more than two units in any one term. For further help please contact the Programme Leader.
