My dear DU alumna / alumnus

Your University has entered **Year 90** of its pioneering, globally – acknowledged, multidimensionally – ranged service and we look forward to **your several inputs**.

We're working on a comprehensive, as - feasibly - inclusive DU **Global Alumni Database** drawn with YOUR HELP .

Also, the upscaling of the DU **Alumni Human ResourceBank** developed bw Year 1997 and 2003, i.e., Career / Discipline – wise field/s of alumni endeavour and achievement .

A **Collector's Item** DU Year 90 Alumni Newsmagazine called **CapitAL** ; the inaugural edition was released on New Year's Day 2003 and there has been none since ; This , then , will be **CapitAL 2** .

We 'd welcome any especial inputs from you ... photos , documents , vintage letterhead , letters , programmesheets etc of historical , archival , generally nostalgic value – **your Memories** , which be duly acknowledged and / or scanned with the original returned to you if you so wish or , if you agree , passed on to the University Archives / RecordRoom .

A **Verry Special** DU Year 90 Alumni **Directory**; the inaugural edition was released to mark the UN Year of Cultural Heritage 2002 and there has been none since.

Do send us names – details: see the Alumni Factsheet.

And then , there's an annual event with our Patron, VC Professor Dinesh Singh, distinguished mathematician from Imperial College London and University of Houston, USA and, *most importantly for all of us*, a DU alumnus, of St Stephen's;

many will recall the VC's father Professor U N Singh, an outstanding educationist and academic administrator who was instrumental in establishing DU's Faculty of Mathematics as a reputed academic centre and who served as VC / PVC of our University bw 1975-1980 and also as VC University of Allahabad .

We also encourage *Alumni - Who - Can* to help, support, motivate *Alumni - who – Need* .

Might one invite you to fill in the attached **Factsheet**:
please feel free to **add an A4 Profile**, to reach us by post / email / courier by **30 November 2012** .

All this will help us move **towards a meaningful, fulfilling DU - Alumni Dynamic** .

We look forward to your help *and* to your suggestions ...

Yours fraternally

Prof Sydney Rebeiro
