Study Centres across the state :

IGNOU Study Centres are the hubs of students activities.

IGNOU has a wide network of

study, work and programme centres through which it reaches out to its students located in different parts of the country. At a study centre, the following facilities are extended to students: Subject-specific academic-counseling, Audio and Video viewing facilities, Laboratory Classes, Library facilities, Participation in Teleconferencing, Information services related to rules, regulations, procedures, schedules, etc. of the University, Submission of assignment - responses for tutor-comments and grading / marking and Term-end examinations.
