

ON-CAMPUS PLACEMENTS

The Confidence of Being Amongst The Best

Leading companies across various disciplines come for campus placements at Amity. In technical courses, nearly all students are placed even one year before the completion of the course.

This achievement has been the result of the large team of dedicated members of the Amity Corporate Resource Centre that constantly interacts with the corporate world and helps prepare

students for their careers.

Besides, the industry specific Career Advisory Boards consisting of leading members of the corporate world give students guidance on creating a career plan, a list of appropriate employers, setting realistic career goals and a planned time table on professional development for the future.

Over
5000
on-campus placements.

Over
800
placed even one year
before graduating.

“ Self confidence, good communication skills... Amity students understand the logical way of thinking. In corporate life we don't want to listen 'no' to anything... whatever we plan we need go-getters and I find Amity students upto that standard. ”

Rajiv Bajaj
Sr. GM & CFO, Panasonic (India)
