During the last 48 years, we have established more than 171 educational units of various kinds right from Pre-Primary School up to the University in different parts of India and even in the capital city of New Delhi. Bharati Vidyapeeth is an institution with its distinct ideology, which can be briefly stated thus.

Our objective is : to make quality education accessible to the students coming from different regions and different strata of the society and to provide the same to them as per their individual choices and inclination.

Our constant endeavour is to create ambiance in the campuses propitious for learning by providing continuously updated courses and with the help of enriched infrastructural facilities such as well-equipped laboratories, rich library and well maintained playground, hostels.

It is a gratifying experience for me to know that thousands of students who have passed out from the portals of our institutions have established themselves very well in different walks of life.

the country but also outside. This is evident from the fact that we get students from different parts of India and also from different countries. Our both the campuses in Pune are very well planned and developed. They can be easily compared with the leading educational campuses in the country. We provide all the necessary amenities and facilities to our students on our campuses. What we have achieved so far is definitely commendable. But I am aware there is still scope for us to better and to reach the higher pinnacles of academic excellence. I have no doubt that we will be able to achieve these objectives in cooperation with our faculties of various institutions which include expert, experienced and student caring teachers.

I wish, you will be one of those fortunate students, who will get admission to one of our colleges. I assure you that your life in our campus will be richly rewarding, academically and otherwise also. I extend my best wishes to you all for a success in the Entrance Test for which you are appearing, as well as, for your future successful professional career.

It bridges the gap between the demand for talent from the industry and the search by the students for the right career and it all begins with the right kind of summer training they undergo which leads to successful executive placements. The cell conducts lectures, seminars and demonstrations by experienced and reputed persons from different streams. Pre-placement activities focus on training students individually and in groups for sound grooming, improving presentation skills, and effective group discussion participations. The students are also exposed to mock interviews to enable them to have an idea of real life placements situations.

FACULTY DEVLOPMENT PROGRAMME

WORKSHOP AND SEMINARS

Having just bookish knowledge will not suffice a Global Leader. Whatever is taught has to be brought into practice with the necessary changes as the situation may demand. For this we make the students aware of real life situations which enhance their creative ability to face different situations. Distinguished experts are also often invited to share their real experiences. This sort of exposure improves the students' acumen in better decision making even in demanding situation. The main focus on the workshop is to engage the students in intensive academic discussions and explore the possible solution to practical problems from different dimensions.

Only a well- informed teacher can groom a successful leader. In its quest to impart quality management education we at IMRDA conduct Debates, Group discussions, Word play, management games etc., to keep abreast of the latest in the business world. All the faculties assemble in the conference hall on every Saturday with full enthusiasm and zeal to participate in the above activities. The topics are decided well in advance and enough time is given for through preparation.
