## INTRODUCTION

FaaDoOEngineers.com is today India's largest portal for student engineers. Ask our more than 50 lakh unique visitors in the last 12 months, and they will tell you that FE is simply the best web-site out there to not just find resources, but also to chill out and discuss a variety of subjects that concern the engineering student community.

We at FaaDoOEngineers.com feel that this is just the start of the relationship that we share with our audience. It has always been our endeavor to come up with awe-inspiring products for our dear users.

After a yearlong process of research, digging through surveys and trying to understand what the engineering student really needs, we have managed to strike gold!

And just like any other explorer, who finds gold but can't mine everything himself, we are looking for a team that can help us extract the highest value for our new discovery!

## SO, WHAT EXACTLY HAVE WE DISCOVERED?

All we can tell the world right now is – “We have discovered something that will change the way engineers across the country study! We have a solution which will prove to be such an enabler that eyes will roll, minds will scratch and ears will hear about a product so sublime that even our harshest detractors will have to agree that this time FaaDoOEngineers.com has simply bowled them over.

You see in this age of instant copy cats, it is always good to keep your cards close to your chest. The beauty lies in running so far ahead of competition that it's impossible for anyone to play catch up! We at FE are closely guarding our biggest secret. A secret 'Product' that will soon unfold itself on the 31st of March, 2013!

1. It will help you start your business while studying.
2. It will ensure you earn profits from Day One. There is an absolutely chance that you could be minting a few lakhs in the 1st year itself!!
3. It will develop and design all promotional material for your business to kick-start.
4. Whether or not the sale of the product happens directly via you, you are assured of returns!
5. You are the only FE Associate in your college!
6. You become part of the elite group of 1000's of fellow FE Associates, the benefit of which is immense.
7. A kick start in the world of business and a superb initiative to showcase on your resumes for all your lives!

## WHAT QUALITIES ARE WE LOOKING FOR?

We are looking for people who:

1. Have an urge to start their own business after engineering.
2. Who feel that they have the ability to become leaders in become future CEOs or CMOs.
3. Who are out going and have a lot of friends
4. Who are resourceful by nature
5. Who Love MONEY!
6. Have participated in organizing major events in their own colleges or outside of it
7. Ideally in the 2nd or 3rd year of engineering
8. Have none of the above qualities but still feel they have it in them to do it in their own way!
9. And last but not the least, a TRUST in Brand - FaaDoOEngineers.com!
