

College of Business
Department of Sports Administration

Sport Management Program (BS8123) Application

To be admitted into the Sport Management major, all students must apply and be accepted after successful completion of seven courses (C or better in each) and achieving an accumulative g.p.a. of 2.5 or higher. Students are advised to make a decision about a major as early as possible in order to apply to the program in a timely manner.

For Pre-Sport Management Majors (ND8840):

The completed application and a current DARS report must be submitted by the end of the second week of the quarter following completion of the admission requirements to your faculty advisor for verification and signature prior to submitting your application.

For All Other Majors:

The completed application and a current DARS report must be returned to the Chair of the Department of Sports Administration for verification and endorsement by the seventh day of the quarter, following completion of the admission requirements.

Name: _____ PID#: _____
