

# Truba Institute of Engineering and Information Technology

**Location**Bhopal , Madhya Pradesh

**Affiliated To** Other

**Establishment On** N.A.

## About Us

Truba Institute of Engineering and Information Technology offers Undergraduate and Postgraduate courses in Engineering in various streams.

## Placement Records

The information will be added soon.

## Courses and Admission Criteria

The institute offers Bachelor of Engineering in Computer sciences & Engineering, Bachelor of Engineering in Electronics & Communication Engineering, Bachelor of Engineering in Information Technology, Bachelor of Engineering in Mechanical Engineering, Bachelor of Engineering in Electrical & Electronics Engineering, Bachelor of Engineering in Civil Engineering, Mechanical of Engineering in Computer Science, Mechanical of Engineering in Digital Communication courses.

## Masters Programs

**Course Name:**Master of Engineering (Computer Science & Engineering)

**Course Detail:**The institute is offering Master of Engineering in Computer Science & Engineering course. It's a two year degree program.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed a Bachelor Degree in Engineering from a recognized university. The selection will be based on Entrance Test.

**Course Name:**Master of Engineering (Digital Communication & Networking)

**Course Detail:**The institute is offering Master of Engineering in Digital Communication. It's a two year degree program.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed a Bachelor Degree in Engineering from a recognized university. The selection will be based on Entrance Test.

## Bachelors Programs

**Course Name:**Bachelor of Engineering (Computer Science & Engineering)

**Course Detail:**The institute is offering Bachelor of Engineering in Computer sciences & Engineering course.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed 10+2 or equivalent. The selection will be based Entrance Test.

**Course Name:**Bachelor of Engineering (Electronics & Communication Engineering)

**Course Detail:**The institute is offering Bachelor of Engineering in Electronics & Communication Engineering course. It's a four year degree program.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed 10+2 or equivalent. The selection will be based Entrance Test.

**Course Name:**Bachelor of Engineering (Information Technology)

**Course Detail:**The institute is offering bachelor of Engineering in Information Technology course. It's a four year degree program.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed 10+2 or equivalent. The selection will be based Entrance Test.

**Course Name:**Bachelor of Engineering (Mechanical Engineering)

**Course Detail:**The institute is offering Bachelor of Engineering in Mechanical Engineering. It's a four year degree program.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed 10+2 or equivalent. The selection will be based Entrance Test.

**Course Name:**Bachelor of Engineering (Electrical & Electronics Engineering)

**Course Detail:**The institute is offering Bachelor of Engineering in Electrical and Electronics. It's a four year degree program.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed 10+2 or equivalent. The selection will be based Entrance Test.

**Course Name:**Bachelor of Engineering (Civil Engineering)

**Course Detail:**The institute is offering Bachelor of Science in Civil Engineering course. It's a four year degree program.

**Course Affiliation:** Other

**Admission Criteria:**The candidate should have passed 10+2 or equivalent. The selection will be based Entrance Test.

## Facilities

**Infrastructure Overview:** The institute is well Equipped with all modern Facility.

**Laboratory Details:**All labs are well equipped with latest Equipment.

**Library Details:**Central library is available.

## Faculty

A variety of teaching and learning techniques are employed to impart knowledge and skills to students at Truba Institute of Engineering and Information Technology in its various departments.
