TRAINING & PLACEMENT DIVISION

CAMPUS RECRUITMENT PROGRAMME 2012-13

The Training & Placement Division, BIT, Mesra, welcomes recruiters for participation in the Campus Recruitment Programme for the Batch graduating in the year 2013. The Campus Recruitment Programme, organised every year in the penultimate semester of the BE Programme has successfully met the HR needs of leading recruiters for the past 55 years.

This programme on the one hand facilitates the student to showcase their technical as well as soft skills and gives an opportunity to the recruiters to recruit from this talent pool.

The rigours of study at BIT, coupled with lab practice and balanced exposure to the Industry as well as co and extracurricular activities on campus through a range of student clubs and societies, brings out the best from the students and prepares them well for challenging leadership roles. BIT alumni contributing in positions of highest responsibility, across the globe, are a witness to this.

ACADEMIC PROGRAMMES

B.E. (Admission through AIEEE)	Biotechnology	Information Technology
	Civil	Mechanical
	Computer Science	Production
	Electrical And Electronics	Chemical And Polymer
	Electronics And Communication	
ME (Admission through GATE)	Automation Manufacturing System	Mechanical
	CAAD	Quality Engineering & Management
	Civil	Software Engineering
	Electrical And Electronics	Space Engineering And Rocketry
	Electronics And Communication	
M.Tech. (Admission through GATE)	Biotech	Information Security
	Computer Science	Nano Science And Nano Technology
	Energy Technology	Polymer
	Environmental Science	Remote Sensing
MCA (Admission through All India Test)	Computer Application	
M.Sc.	Applied Chemistry	Geoinformatics
	Applied Mathematics	Biomedical Instrumentation
	Applied Physics	Information Science
	Bioinformatics	Information Technology
MBA (Admission through CAT Score)	Marketing, Finance, HR & IT	

The Institute offers UG & PG Programmes in Pharmaceutical Sciences as well as Architecture

CAMPUS VISIT-FACILITATION

Pre-visit Initiatives:

The Institute welcomes and facilitates early Pre-Placement Talks/Presentations. All Job Notifications along with any other material provided by the recruiters are displayed on the student's portal as well as the notice boards (Institute and Hostels).

Students apply online against the Recruitment Notifications and their details are provided to the recruiters on an excel sheet. Soft copies of resume's are also forwarded, if so required, through e-mail.

During the Campus Visit

The Institute's auditorium is well equipped with the audio-visual facilities for presentations. Adequate space is provided for the written tests that are a part of the selection process. Large halls with every convenience are kept ready solely for this purpose. For online tests computer labs, fully networked and connected to a 1 GBPS network are provided. 150 students can take the online test at one time.

For stay on campus, arrangements are made, on request, at the Institute's well appointed guesthouses that are equipped to provide for every requirement of BIT's guests. The Institute also arranges for Airport/Railway Station pick-up, if required.

The Placement block has well designed and centrally air-conditioned facilities for conducting GD's & Interviews. Video Conferencing facilities are also available for facilitating the interview process, if required. A dedicated team of student placement coordinators actively support the campus recruitment process.

PLACEMENT NORMS

Placement facility is available to all students registered with the Training and Placement office through the online registration procedure. Once the placement process is initiated the students may attend the presentations made by different organizations and accordingly make their decision to attend the respective selection process

There is no restriction on attending multiple selection processes provided that the timings do not conflict. The student may attend processes for any number of organizations until the first offer is secured. Confirmation of the offer may be by way of the selection list being displayed by the organization or through offer letters issued. Once 85% of the students of a particular branch are placed, a second opportunity may be provided.

Placement office takes the responsibility of centrally receiving all offer letters, distribution of the same as well as sending the acceptance letters to the companies.

BIT EXTENSION CENTRES

Over the last five decades, BIT has spread geographically through establishment of extension campuses. The campuses located in different parts of the country as well as overseas function under the complete academic norms and control of the parent University. The academic programmes as well as the examination process are conducted centrally to maintain standards.

BIT Campuses are located in Patna, Deoghar, Ranchi City, Kolkata, Allahabad, Noida & Jaipur.

TIE-UPS

BIT has entered into several value added associations with several organisations which have resulted in creation of specialised laboratories, introduction of Industry suggested electives, internships as well as scholarships and support towards technical clubs. Some of such associations are with Freescale Semiconductors, Cummins, Ericsson, Infosys Technologies, Tata Consultancy Services, Larsen & Toubro, Cognizant Technology Solutions, Tata Steel etc.

SOME OF THE RECRUITERS

IT	FMCG	Consulting/Analytics	Automotive	CORE/INFRA/PSU	Telecom/Energy
Google	Rickett Benkeiser	Goldman Sachs	Tata Motors	IOCL/BPCL	Airtel
Amazon	Britannia	PWC	Maruti Suzuki	NTPC	Idea Cellular
Microsoft	Nestle	Nomura	Caterpillar	DVC	Freescale
Yahoo !	Hindustan Unilever	ZS Associates	Hyundai	Tata Steel	Tata Power
Direct I		Mu Sigma	Mahindra	Avery Dennison	Reliance Power
SAP		EXL	Metalsa	Fluor Daniel	Adani Power
TCS/CTS/INFOSYS /WIPRO/IBM		Deloitte	Hero Motocorp	Tata Power	Ericsson/Samsung
