What we offer

T.I.M.E. offers you a comprehensive course which will prepare you for **NIMCET 2012** and other **National MCA Entrance Exams** in a thorough, rigorous and professional manner.

You will have the benefit of being taught by our experienced faculty members who have been

acknowledged as the best in the city by students. You will also have the satisfaction of knowing that you have joined an institute that has already got many top ranks and that you too could be a topper in the making.

It goes without saying that the course is well-structured and the material is comprehensive. We also ensure that the material represents the latest pattern in the entrance exams.

About the Course

The course has three modules.

▶ **Module I**

Basic Study Material with solved examples and practice exercises. The material covers all the test areas, i.e., Pure Mathematics, Arithmetic/ Commercial Mathematics, Logical & Analytical Reasoning, Computer awareness, Reading Comprehension and Vocabulary. Areas like Data Sufficiency, Data Interpretation, Non-Verbal Reasoning, which are required for Pune MCA Entrance are also covered.

▶ **Module II**

Chapter-wise tests to help you prepare for each individual test area. These tests will help you revise your concepts and increase your speed.

▶ **Module III**

A large number of **Mock tests** will be conducted on the pattern of various MCA Entrance Exams. Out of these, **8** will be **Mock NIMCETs**, including **5 All India Mock NIMCETs**. With the help of these tests, you will be able to compare your performance with that of the other students and see where you stand in a competitive environment. These **Mock tests** will replicate the exam in every conceivable way, including the environment and exam atmosphere.
