INFRASTRUCTURE

CAMPUS

The stupendous campus is a befitting personification of the people that inhabit it. The campus, set in serene and verdant environs, not only provides an excellent ambience for the community's academic endeavours but also presents them with the opportunity to unwind.

GYANODAYA – The Library

The IIM Lucknow library characterizes what the institute stands for – Accessibility, Vision and Excellence. Housed in a spacious 30000 sq. feet, two storied, air conditioned and functionally designed building with a seating capacity of 250 readers on five halls the library acts as the main learning resource centre for the Institute.

Gyanodaya boasts of a rich collection of over 80,000 select learning resources available in various formats and subscribes to the country's top databases like ABI/INFORM, Business Source Premier, Capitaline 2000, Crisil Infac, Prowess BPO (full text), IEL online, ACM Digital Library, Insight – Corporate database, IBID, Indlaw.com, Indiastat.com, ISI emerging markets, GMID and many more.

SPORTS FACILITIES

IIM Lucknow boasts of having one of the best sporting infrastructure facilities among all the b-schools in the country. The institute continuously renovates its sporting facilities adding new individual and team sporting arenas to facilitate and foster overall development of the sporting spirit among the community.

- A state-of-the-art Gymnasium
- Indoor badminton courts
- Outdoor facilities for tennis, basketball
- Swimming Pool and Squash Court

COMPUTER CENTRE

Housed in a spacious 15,000 sq. ft., air conditioned building and equipped with the state-of-the-art computing resources, the CC forms the heart of the institute's IT infrastructure. All buildings i.e. the Faculty Block, the Academic Block, the Computer Centre, the Library and the Hostels are connected through a fast Ethernet-switched network.

OUR ILLUSTRIOUS ALUMNI

The IIM-L alumni are a force to reckon with. Their work spans all walks of life and their influence can be felt through the strategic decisions they are taking to shape the future of this country. From top corporate honchos to entrepreneurs, from filmmakers to social workers, the IIM Lucknow alumnus has truly – ‘been there, done that’. By entering and excelling in such diverse fields, they have illustrated how an IIM Lucknow student always follows his heart, and how the institute equips him with the necessary skills to achieve his goal.
