INTRODUCTION

This handout gives you detailed information about the Written Examination for the selection to above post. It is prepared to familiarise you with the kind of tests that are given in the competitive examination. It also gives important instructions about related matters. The assessment of answersheets will be done by a computerised machine, hence you should carefully read instructions regarding handling of the answersheets and method of marking answers.

GENERAL INSTRUCTIONS :

1. **Particulars to be Noted** : Please note carefully your Roll Number, Date, Time and Venue for the examination given in the Call letter.
2. **Punctuality in Attendance** : Candidates should be present at the examination hall at the time given in the Call Letter. Candidates arriving late will not be permitted to enter the Examination Hall.
3. **Call Letter to be filled and surrendered** : **Please bring the call letter with your photograph affixed thereon, photo identity proof in original and a photocopy.** You will be required to sign in the examination hall on your call letter in the space provided for the candidate's signature in the presence of the invigilator. (Do not sign in this space on the call letter unless the invigilator instructs you to do so.) Please hand over the call-letter alongwith photocopy of photo identity proof duly stapled together to the invigilator.
4. **Specimen answersheet and how to fill in biodata information on it** : You will get an answersheet in the examination hall, the assessment for which will be done through a computerized machine. The last sheet of this booklet is a sample of this Answersheet. Fill in YOUR Biodata information on this answersheet for YOUR practice and BRING IT with you to the examination hall.

How to fill in the biodata information on the answersheet is explained and shown on a sample of the answersheet. You will get answersheet in the examination hall on which you will have to copy your biodata information already filled in by you.

5. **Compliance with Instructions** : You should scrupulously follow the instructions given by the test administrators and the invigilators at the examination venue at all the stages of the examination for which you have been called. If you violate the instructions you will be disqualified and may also be asked to leave the examination hall.
6. **Use of Books, Notes & Calculators** : No calculator (separate or with watch), books, slide ruler, note-books or written notes will be allowed inside the examination hall.
7. **Copying or receiving/giving assistance not allowed** : Any candidate who is found either copying or receiving or giving assistance during the examination will be disqualified.
8. **Use of HB Pencil and Ball Pen** : You should bring with you two commonly available HB Pencils, a Pencil Sharpener, an Eraser and a Ball Point Pen. Two pencils are advised to avoid mending a pencil during the examination as you may lose time. All the answers on Side 2 also should be marked by using HB Pencil only.
9. **Handling Answersheet** : Please handle your answersheet carefully. Keep it dust free. If it is mutilated, torn, folded, wrinkled, rolled or dusty, it may not be evaluated. Similarly if you do not write your Roll Number and Test Form No. in Box Nos. 14 and 17 respectively, your answersheet will NOT be assessed. Answersheets and question papers will be supplied by the Organisation. After the test is over, you should hand over the same to the invigilator before leaving the room. Any candidate who does not return the question booklet and/or answersheet or is found to attempt to take or pass on the question booklet or answersheet inside or outside the examination hall will be disqualified and the Organisation may take further action against them as per rules of the Organisation.
10. **Write Roll No. on the Test Booklet** : You should write your roll no. in the space provided on the cover page.

HOW TO SHOW YOUR ANSWERS :

Each question is followed by answers which are numbered 1, 2, 3, 4 and 5. Select the most appropriate answer. Then by using HB Pencil, blacken the oval bearing the correct answer against the serial number of the question. Please note that the oval should be dark enough and should be filled in completely. For example, if the answer to Question Number 2 is answer number 5, it is shown as follows :

Q.2. ① ② ③ ④ ●

HOW TO CHANGE YOUR ANSWER :

If you wish to change your answer, ERASE COMPLETELY the already darkened oval by using good quality eraser and then blacken the new oval bearing your revised answer number.

While changing the answer, erasing the earlier answer completely is extremely essential. If it is not erased completely smudges will be left on the erased ovals and the question will be read as having two answers and will be ignored for giving any credit.
