Message from the President of the University

Dear students,

BLDE University was started with the sole objective of improving quality in education and develop the institute as a research centre responsive to social, economical and health needs of the society, utilizing the autonomy and flexibility awarded to it.

In consonance with its objective, apart from conducting UG and PG programs in medical faculty, fellowship, certificate and allied courses which are capable of addressing emerging areas, skills development and improve competency in students have been started.

Research has received major thrust after being designated as deemed to be University status. This has resulted in collaborations with eminent Universities, and research institutes. Good numbers of research projects addressing social and health care problems have been taken up and are likely to yield information which will be of direct benefit to the people of this area.

Tie-ups with reputed hospital chains like Narayana Healthcare Ltd. has resulted in establishing state of art cardiac care centre which will greatly facilitate cardiac patients of this area. Apart from strengthening basic infrastructure and developing super specialty health care services, University has taken up establishment of additional primary Health centers in rural areas addressing the health care needs of villagers.

Increased number of health camps, and various outreach programs have resulted in better services to rural and backward areas.

Continuous Faculty development programs like hosting conferences, conducting CME, Workshops and interactive sessions with experts have given significant impetus to faculty. Holistic development and comprehensive student welfare has been priority of University and students are well cared, monitored and mentored holistically.

With best wishes,

Dr. M. B. Patil, BE.

Message from the Vice Chancellor

Dear students,

The University has been established by the BLDE Association which is one of the most charitable associations in Karnataka. At BLDE University we are committed to quality medical education keeping in view that the medical profession is the most challenging and noble one.

We are challenged with globalization and growing competition from National and International Universities. At BLDEU, we are constantly striving hard to modernize our campus with world-class infrastructure, adding new tech-tools for teaching and research and adopting global best practices in whatever we do. The Hospital facilities are being upgraded and enhanced to provide the best health care facilities and the needed learning experience to the students to keep pace with the changes world over. Our endeavor is to become a reputed Research University where teaching is always at the cutting edge of research and scholarship. We have eminent teachers and researchers on the faculty. Also, you will meet friendly administrators and staff.

The Sponsoring Society

Bijapur Liberal District Educational Association

BLDE Association is involved in providing education and inculcating knowledge from primary education to professional education. This great and mighty Association is celebrating its centenary year. The centenary celebration renews its committed goal towards enhancing quality education by adding new institutions and new education programmes in the existing institutions.

The BLDE Association propagating education in Bijapur and Bagalkot districts, which are recognized as socially, economically and educationally backward areas by then British Government and by present UGC, State Government and Central Government.

Dr. P.G. Halakatti with other philanthropists of Bijapur founded a co-operative bank and this association with primary objective of propagation of education. Thus, Bijapur Lingayat Development Education Association (BLDEA) took birth on 23-10-1910.

The Association made a humble beginning by accepting to run a High School handed over by a German Mission, who was returning to Germany because of World War-I. Thus, the journey towards imparting of education started.

In the year 1942, a religious leader and a visionary Shri Shri Sanganabasaveshwar Maha Shivayogigalu of Banthanal, laid a firm foundation to BLDE Association by way of establishing various educational institutes. He played a major role in developing the Association and established many institutions to impart Primary, Higher Secondary and Higher education.

In the 60s another great visionary, Shri B.M.Patil took responsibility to benefit the people of the region. With his great vision with tenacity, a new dimension was given to the functioning of the institutions of Association by establishing the institutions to impart professional education. The Association established Engineering College, Pharmacy College, Nursing College and the Medical College, along with its own 1000 bed teaching hospital first of its kind in the country.

A new era began when Mr. M. B. Patil, a young and dynamic leader, took reins of the BLDE Association. His primary objective was quality education. With recent concepts of liberalization, globalization and tremendous expansion of knowledge in various new courses. He conceived the need for establishment of University. His dream came true with the establishment of BLDE University on 29-02-2008.

The Association sponsors and runs 68 Institutions in both rural and urban areas of Bijapur and Bagalkot Districts. The spectrum covers Primary schools, High Schools, Pre-University Colleges, Degree colleges in faculties of Arts, Science, Commerce, Law, Management, Education Science, Fine arts, Pharmacy, Nursing, Nursery, Sericulture, Engineering & Polytechnics, Medical sciences with Post graduate courses and sponsors the BLDE University in detail.
