

AGRICULTURAL SCIENTISTS RECRUITMENT BOARD, KAB-I, N.DELHI-12

F.No. 10(01)/2012-Rectt. I

INFORMATION FOR CANDIDATES

(Based on ICAR requisition vide letter No. 02(05)/2011-Per.III dated 5th December, 2011)

Advt. No. 01/2012

Item No. 01

Date of Release : 21.03.2012

Closing date : 30.04.2012(Normal closing date)/15.05.2012(Closing date for remote areas/abroad).

DETAILS REGARDING THE POST

(i)	Name & Location of the post	Deputy Director General (Horticulture), ICAR, New Delhi
(ii)	No. of posts	1 (one)
(iii)	Pay Band/Scale	₹75,000 (Fixed)
(iv)	Whether Tenurial Post/Permanent Post	The post will be filled up on tenurial basis for a period of five years.
(v)	Position regarding reservation	Unreserved
(vi)	Age limit	The candidate must not have attained the age of 60 years as on 30.04.2012

Qualifications Essential :-(i) Doctoral degree in any branch of Horticultural Sciences including relevant basic sciences.

(ii) An eminent scientist / teacher having at least 8 years experience in the grade of Principal Scientist (₹16400-22400) or in an equivalent position out of which 3 years experience should be in Research Management Position or in an equivalent position or at least 6 years experience in any of the following position:-

- (a) Heads of Divisions at ICAR Institutes.
- (b) Heads of Regional Stations of ICAR Institutes.
- (c) Project Coordinator.
- (d) Zonal Coordinator.
- (e) National Coordinator, NAIP
- (f) Joint Directors of Institutes other than IARI/IVRI/NDRI/CIFE and NAARM OR

An eminent scientist having proven record of scientific contribution working in a reputed organization/Institute having at least 21 years experience in the relevant subject, out of which 3 years experience should be in a Research Management Position or in an equivalent position or at least 6 years experience in any of the following positions :-

- (a) Heads of Divisions at ICAR Institutes.
- (b) Heads of Regional Stations of ICAR Institutes.
- (c) Project Coordinator.
- (d) Zonal Coordinator.
- (e) National Coordinator, NAIP
- (f) Joint Directors of Institutes other than IARI/IVRI/NDRI/CIFE and NAARM

(iii) Evidence of contributions to research / teaching / extension education as supported by published work /innovations.

Desirable:- The candidate should have demonstrated scientific leadership and skill in research management with a broad vision and perspective of agricultural research.

(Note:- If a candidate has less than 3 years experience in a research management position and has experience of working in position/s listed at (ii) (a) to (f) then a weightage equal to half of the service rendered in position/s listed at (ii) (a) to (f) shall be added to the candidate's actual RMP experience to determine eligibility for these posts).

Duties:- (i) To formulate and supervise Council's policies and research work relating to the field of horticultural sciences.

(ii) To coordinate and stimulate operational research programmes and demonstration related to horticulture.

(iii) To assist the Director General and other Officers of the ICAR in implementing approved programmes of research.

(iv) To perform any other duties that may be assigned by the Council from time to time.

NOTE: THE CANDIDATES ARE ADVISED TO GO THROUGH THE CONTENTS OF THE DETAILED ADVERTISEMENT ALSO ALONG WITH IFC(S).

(iv)	Whether Tenurial Post/Permanent Post	The post will be filled up on tenurial basis for a period of five years.
(v)	Position regarding reservation	Unreserved
(vi)	Age limit	The candidate must not have attained the age of 60 years as on 30.04.2012.

Qualifications Essential (i) Doctoral degree in Agricultural Statistics/Computer Science/Computer Applications/Information Technology including relevant basic sciences.

(ii) A Scientist in the pay scale of (₹16400-20000) (pre-revised) or in an equivalent position.

OR

8 years experience as a Senior Scientist (₹12000-18300) (pre-revised) or in an equivalent position.

OR

An eminent scientist having proven record of scientific contribution working in a reputed organization/institute having at least 13 years experience in the relevant subject.

iii) Evidence of publication/activities/contribution to suggest that the candidate has a broad vision / perspective on agricultural research.

Desirable:- (i) Experience in Computer Software Applications and Programming.

(ii) Experience of conducting training programmes in Information Technology.

(iii) Experience in Computer Network Management, Computer/Data centre Management, Web portal Development and Software applications in Agriculture.

Duties:-

(i) To initiate, supervise and conduct research work on various aspects of Computer Applications.

(ii) To formulate and to organize teaching/training courses and guide research work in Computer Applications.

(iii) To provide expert advise to the Agricultural Scientists from other ICAR Institutes and Agricultural Universities on the subject as necessary.

(iv) Any other official duty that may be assigned by the Director.

NOTE: THE CANDIDATES ARE ADVISED TO GO THROUGH THE CONTENTS OF THE DETAILED ADVERTISEMENT ALSO ALONG WITH IFC(s).
